

Familiarity Breeds Contempt

John 7:1-13

12-13: People didn't agree/understand who Jesus was. They still don't.

13: People didn't talk about Him for fear. They still don't.

8: My time. Always a reference to his crucifixion and resurrection.

5: Even his brothers did not believe. Why?

Times in our lives when faith is old and dry.

How do we move through that/beyond that?
