

Woman Caught in Adultery John 8:1-11

The problem with this passage.

The setup and the law.

The problems with this:

Problem 1: The law required a person to warn another if they were about to sin. These witnesses stay silent.

Problem 2: The law says they are both to be stoned. Where is he?

Problem 3: The witnesses could have brought this to Jesus privately; but this is a trap.

The rock and the hard place.

He who is without sin - see Duet 17:7

What does He write?

graphein - to write. Kata is a modifier.

Katagraphō - to write, with a possible implication that what is written is an accusation. Job 13:26

The difference between the Pharisees and Jesus.
